

CELL 1

When a man hath no freedom to
fight for at home,
Let him combat for that of his
neighbours;
Let him think of the glories of
Greece and of Rome,
And get knocked on the head for
his labours.

To do good to Mankind is the
chivalrous plan,
And is always as nobly requited;
Then battle for Freedom
wherever you can,
And, if not shot or hanged, you'll
get knighted.
